Are you interested in the Arts? Interested in connecting with like-minded peers? Have a passion for music, drama, dance and visual arts?

We invite you to join **Delaware Teen Arts Council** – a diverse group of teens (grade 9-12) from all over the region who want to learn more!

Joining is simple and free!

ABOUT US

DETAC meets regularly to travel as a group to see productions in the Wilmington region, discuss upcoming productions, listen to professional guest artists and learn about the diverse Wilmington arts scene.

What you get!

- Tickets to final dress rehearsal productions.
- Exclusive “backstage” passes into the arts scene within the Wilmington region.
- Opportunity to meet artists, watch rehearsals, follow the development of their characters, ask questions, and see it all come together at the final dress rehearsal.
- Opportunity to hang with like-minded people.
- Advocate for the arts in your communities.
- Know that you are a part of the future of the arts in Delaware (and it will look great on your college resume!)

We know that you are the next generation of artists and audience members, so we want to give you an ALL access pass into the world of opera, theater, dance and more.

DETAC aims to provide you valuable insight to all aspects on the cultural industry. In return, we will ask you to provide feedback and views on our productions, programs, and promotional material; grow our social presence; help “paper” the region with our postcards; and create connections within your school (teachers and students).

We look forward to meeting you this year!
